EVAPORATION POINT
Sculpture & Prints

The Cochran Gallery
LaGrange, Georgia
2017

Acknowledgments

I wish to thank the colleagues
and friends who helped make this exhibition and
catalogue project possible. Limited editions of the prints were
accomplished in the printshop of LaGrange College in Georgia.
Special thanks to Tad Mike for technical advice and masterprinter,
John D. Lawrence and the Lamar Dodd Art Center staff for providing
professional equipment and studio access.

Special thanks to Missy and Wes Cochran for preparation
and organisation of the exhibition, their help and care of the artist,
as well as for the residency invitation which enabled the sculpture to be
created. I also thank everyone that encouraged me and assisted during
the realization of this project. I am grateful to Helena Baca, Teresa Baca,
Masashi and Miyuki Futakami from Sapporo, Agnieszka Chrzanowska,
Robert Kocłęga, Zuzanna Kasprzak, Małgorzata Miarczyńska,
Daniel Mrugała, Michał Łenczyński, Michał Boroń, Louie & Morus
for their generous spirit, support and good will.
I am deeply gratified by Rafał Kapica's contribution
for this catalogue preparation.
